/Events

BeSpatial

BeInspired - attend events with Ontario's largest geospatial and information community!

Explore innovative topics in the geospatial and information space such as analytics, LiDAR, open data and smart implementations. Gain knowledge on solving spatial challenges and managing and using data to inform transformative thinking.

Enter our awards and competitions!

MApps Gallery (Maps and Applications)

You've worked hard to create a map or application. Now show it off to other geospatial and information colleagues from around the province!

Show off your best map design or latest web map application. Each year, participants from across Ontario showcase their best cartographic works, on display at our annual BeSpatial event. The best map and the best app each win a People's Choice award.

Best Challenge Awards (BCA)

Apply for one of our Best Challenge Awards and have your creativity, dedication recognized.

Awards for demonstrating the use of geospatial and information data in improving effectiveness and efficiency in areas such as:

- Best Public Sector GIS - Geospatial & Information Services**
- Best Innovation in GIS - Geospatial & Information Services**
- Small Organization GIS - Geospatial & Information Services**
- Open Source GIS or Open Data - Geospatial & Information Services.**

Share your success story

Be noticed by showcasing your professional achievements and contributions to the community. Presentation and webinar-sharing opportunities are encouraged!

Exhibit at our annual expo

Be seen by promoting your services, technologies, software and applications to our multidisciplinary community from across public, private and educational sectors.

Become a sponsor

Be active in the community through various sponsorship package options with opportunities to exhibit, speak at events and be an integral part of events province-wide.

Student Bursary Award

Be selected for an annual bursary. Gain name and project recognition, meet and network with potential employers in your community and be awarded with a cash prize.

Apply today! Winners will be announced at our annual BeSpatial event.
