# BeSpatial

The Geospatial
and Information
Community

**Become an integral member of a community that is dedicated to advancing geospatial and information solutions that unlock the power of data to achieve evidence-based decision making.**

**YPN** Young Professional Network
Students will automatically become part of the YPN group where there will be opportunities for mentoring, networking, events focused on young professionals covering new and emerging geospatial and industry trends.

- Discounted student membership
- Networking opportunities
- Experience opportunities
- Member's only content
- Student bursary award and mentoring program

*... and much more*

**Students are encouraged to participate in the annual BeSpatial People's Choice MApps Gallery and Best Challenge Awards!**

You've worked hard to create a map or application. Now is your chance to show it off to geospatial and information professionals and colleagues from around the province!

*Winners will be announced at our annual BeSpatial event.*

Showcase your best!
