## Your organization is encouraged to participate in the annual BeSpatial People's Choice MApps Gallery!

You've worked hard to create a map or application for your organization. Now is your chance to show it off to other GIS professionals and colleagues from around the Province!

You will have the opportunity to show off your best traditional MAP design or create a layout to display your latest Web Application. Each year, our geospatial and information community from across Ontario exhibits their best cartographic works in the MApps Gallery which is on display throughout the BeSpatial event. The winners will receive the BeSpatial People's Choice MApps Gallery Award. Each attendee will have a chance to vote on a Map and an App.
